LAWYERS MUST COME TO AGREEMENT AS TO MCCARTHY CHILD

The case of Mayzelle A. T. McCarthy against C. F. McCarthy took a peculiar turn Thursday. Mrs. McCarthy was up on a citation to show cause why she should not be punished for contempt of court in occupying the McCarthy home at San Mateo which was set aside by a court decree at the time of the interlocutory divorce, for the benefit of the minor child. She has been residing at the home for some time. Mrs. McCarthy was present in court Thursday with her attorney who ably presented her side of the issue. "Both Mr. and Mrs. McCarthy are in error" said the lawyer. The woman jumped to her feet and at once denounced her attorney and was talking loudly when Judge Buck ordered Sheriff Sheehan to remove her from the courtroom. The officer carried out the court's instructions and lead Mrs. McCarthy from the room. Order was restored and the attorneys proceeded with their case. McCarthy last month filed a petition asking for the sole custody of the boy and this matter was tried before Judge Buck and submitted to him for decision. It is still pending. The hearing at that time was full of sensational episodes. The court at that time threatened Mrs. McCarthy with punishment if she persisted in talking back to the court. Judge Buck ordered the attorneys on both sides yesterday to come together and decide upon some school in which to place the boy. He cautioned them not to consult with the principals in the case. The court intimated that if a proper institution were not agreed upon he would take the matter into his own hands and secure one which would be out of the jurisdiction of both parents.

Judge Buck found Mrs. McCarthy in contempt by a decision rendered yesterday.

Silas Christofferson, a brother, who achieved nation-wide fame as an aviator, was killed two years ago. The deceased leaves a widow and his brother, Harry.

CLUB MANAGER NAMED

HOTEL ST. FRANCIS CHIEF

Thomas J. Coleman, manager of the Pacific Union Club for many years, will become manager of the Hotel St. Francis May 15, succeeding James Woods, who relinquishes the position on that date to become manager of a New York hotel syndicate. Coleman was chosen for the position by Henry T. Scott, president of the San Francisco Hotel Company, operating the St. Francis.

Mr. Coleman is a brother of Marshal James P. Coleman of Redwood City, and has been connected with the Pacific Union Club since boyhood. Mr. Wood's salary was \$25,000 and it is presumed Mr. Coleman's salary will be the same. Mr. Woods leaves hotels in New York for which he will receive a salary of \$50,000 annually.

According to the account the total receipts were \$1429.69 and total disbursements \$912.39 leaving a balance of \$516.39. The real estate at Atherton was appraised at \$11,000. Garret McEnerney of San Francisco is the attorney of the estate.

FOUND GUILTY ON CHARGE OF SELLING TUBERCULAR MEAT

Phillip Deller was found guilty by a jury in Judge Seely's court on Tuesday on a charge of selling tubercular meat at Daly City. The jury was out only five minutes when a verdict of guilty was returned. The case against the accused was prosecuted by District Attorney Franklin Swart and the defendant was represented by J. J. Bullock. Deller was arrested some time ago by inspector H. R. Robbins, George Ebright, president of the board, and its secretary, W. H. Kellogg, and state chemist E. J. Lea of Berkeley, were witnesses in the case. On Thursday Judge Seely sentenced Deller to pay a fine of \$500 or in lieu thereof to serve 6 months in the county jail.

A PONY FOR EVERY LITTLE GIRL WHEN CIRCUS COMES

No matter how big the circus. No matter how big the elephants, the hippo or the high-hatted announcer's words, little girls and little boys, but more especially little girls, always fall in love with the pretty ponies. It seems that little girls and little boys have a sort of instinctive understanding and liking for each other. In the picture a lovely Denver tot is seen holding a Sells-Floto circus spotted pony's head in a manner very familiar—that is, for the utter strangers they were five minutes before the camera chap got busy. So, when Sells-Floto comes to Palo Alto on Saturday, May 11th there'll be, among the huge beasts of the jungle and hundreds of big horses, including Sunrise, the golden horse, many cute black and white and spotted ponies there'll be acts in the rings in which two dozen beautiful collier dogs will ride the ponies, jumping and leaping on their backs just like the human performers will do soon afterwards. When Baby Bon the hippopotamus, read this message to the children, he bawled the press agent out to beat the big show bands. You see, Bon used to be a two-ton baby hippo, but he's almost grown-up now and the poor fellow doesn't know it. So, he wanted to be listed with the ponies for play with the children. Even the Collier dogs, the zebras and the giant gorilla, Colossus, towering jungle terror, had to laugh at poor Bon. What game could a little girl play with a four-ton Nile river hippopotamus?

NEW HOTEL TO BE ERECTED AT EMERALD LAKE SOON

Ground was broken Sunday for the new Emerald Lake Hotel, to be erected at Emerald Lake, in the foothills, near Redwood City. The hotel is designed along the lines of a bungalow, with a wide, generous porch in front overlooking the lake. Twelve cottages will be built in connection with the central structure, and as part of the hostelry. Mrs. Mary E. Gastner, proprietor of two city apartment houses, is the owner and originator of the hotel.

TAX COLLECTOR McSWEENEY MAKES EXCELLENT SHOWING

The time for paying the second installment of county taxes expired on Monday evening last. The total amount to be collected by the installment was \$8,592.03. Through the able and industrious efforts of Tax Collector McSweeney the sum of \$831,633.20 was collected by him, leaving a delinquency of \$27,610.83. Before the property goes to sale fully \$15,000 of this amount will be paid. This delinquency will be the smallest in the history of the tax collector's office. This is certainly gratifying in these days when people are bending every effort in buying Liberty Bonds, Thrift Stamps and contributing to the Red Cross and other war activities. It demonstrates the propriety of the county.

Luzerne Players at Chautauqua

Present "PLAYS OF OUR ALLIES"

"Plays of Our Allies," one of the feature numbers of the Chautauqua this season, consists of four one-act dramas taken from the best works of European dramatists. They truly depict the life and customs of our allied countries across the Atlantic. The Luzerne Players, under the personal direction of Luzerne Westcott Crandall, who will present "Plays of Our Allies," is a company of experienced artists, possessing histrionic ability of a high order. Mr. Crandall was formerly Managing Director of the People's Little Theater Company of San Diego and is at present Instructor in Dramatics and Public Speaking at the University of Arizona. During the Panama-California Exposition in San Diego in 1916-17, Mr. Crandall's companies presented several productions with unusual success for the Exposition management.

Mr. Ligouri has a large following in the parlors of the state and will make a big run for the coveted prize. All the parlors of the peninsula are back of him.

SCENARIO WRITER KEEPS HER MARRIAGE A SECRET

The reason for her secret marriage to John Gordon Michie, says Miss Grace Marbury Sanderson, scenario writer, was that she feared a change of name might interfere with the popularity of her new photoplay, now being completed. Mrs. Michie is the granddaughter of former Mayor Sanderson of San Francisco, and a stepdaughter of Mrs. Nina Sanderson, a deputy in the county recorder's office. Mrs. Sanderson is a sister of County Surveyor J. V. Neuman and was born and raised at Woodside. Mrs. Michie has won considerable success in the photoplay field. She is also a talented violinist. Mr. Michie is a former member of the Santa Barbara Chamber of Commerce's training camp at Fort Oglethorpe, Georgia. The couple were married on March 19th, the eve of Michie's departure for duty.

MUSIC COMPOSED BY TEACHER PLAYED BY MILITARY BANDS

The first piece of music played by the combined bands of the Eight and Thirtieth Infantry at Camp Fremont Sunday was composed by O. M. Carrington of this city. The title of the piece was "Fremont Oaks". It was a beautiful selection and brought forth hearty applause. It was played twice. Many from Redwood City were in the big crowd that gathered under the wide spreading oaks to listen to the rapturous music of the bands. Mr. Carrington also wrote the scores for each of the different instruments of the band.

Duxsee was chosen president, Laurence Heiner secretary and Frank Towne, treasurer. In a short time committees will be appointed to make an intensive drive for the sale of tickets. The program this year will be the finest ever presented by any chautauqua system. W. J. Bryan, the greatest orator in America, is on the program to speak on Thursday evening, May 30th. The tent will certainly be filled to overflowing on that occasion.

CONCRETE SHIP FIRE MAY BE INCENDIARY

Federal authorities and the San Francisco police are investigating a fire that started early Wednesday evening when a hot rivet was dropped into the rubbish pile on the new concrete ship Faith, anchored at pier 46 while engines are being installed for her maiden trip.

R. P. Nicholson, superintendent of construction, and his crew of workmen fought the blaze. An alarm was turned in, but by the time the fireboat Dennis T. Sullivan responded Nicholson and his crew had the fire under control. The flames were confined to wooden partition work in an after hatch, and it is believed that the damage will not exceed \$300.

The 17th will make a trial trip around the bay today. In four days she will make a trip to Puget Sound and return with a cargo of coal. On this trip will be government experts to watch every movement of the vessel. Should the trip prove successful large orders for contracts for concrete ships will be ordered by the government at once.

EDWIN BEESON PASSES AWAY AFTER LONG ILLNESS

Edwin Beeson, a pioneer resident of this community, passed away in Redwood City on Thursday after a long and painful illness. He underwent an operation some weeks ago and never fully recovered. Mr. Beeson was a native of Healdsburg, aged 61 years, but as a boy he came to Redwood City where he graduated from the grammar school, afterwards learning the butchers trade. Mr. Beeson at one time conducted the Enterprise bakery on the Dielman property. His wife, who was formerly Miss E. W. of Mayfield, passed away some time ago. His daughter, Mrs. Dornberger of San Jose, also died last year. His is survived by another daughter Lela, who is a teacher in the San Francisco school department. Mr. Beeson was well-known on the peninsula and universally liked. The elder Beeson came to this section of the state in pioneer days when lumbering and farming were the principal industries. The family is happily entwined in the history of the county.

The funeral will take place this afternoon at 2 o'clock from the late residence of the deceased on Buckeye street. Interment will be in Union cemetery.

GOES TO SEATTLE TO BRING BACK T. R. ZIMMERMAN

Deputy Sheriff William Hogan departed on Monday for Sacramento to secure extradition papers to bring back T. R. Zimmerman from Seattle, who is wanted on a charge of failure to support his minor child. Mr. Hogan has experienced some difficulty in securing the required papers as the relatives of the defendant are putting up a fight at the capital to prevent Hogan in getting the documents. It is believed the matters will be settled today so that the deputy may proceed on his way to secure the prisoner. At the time Zimmerman was divorced from his wife he was ordered to pay her for the maintenance of herself and child. He has neglected to do this, it is alleged, and has been out of the jurisdiction of the court for nearly two years.

REBUILDING FRANCE

While the heart of every true American goes out to France in her hour of trouble and distress, and while the United States has been most liberal in contributing to every French charity, it is hard to see any good reason why this country should start now upon a course of rebuilding the cities of the French Republic.

What it is necessary to do now, is to conquer and crush the power that has destroyed the cities of France. It must be put hors de combat first and then it will be time enough to discuss the question of rebuilding cities and replacing buildings that have been destroyed. There are several million orphans in France who need care and homes, and support; there are many thousands who need help in other ways and when they have been first cared for we can discuss the question of rebuilding towns and cities.

There is a very suspicious feature in this proposal of rebuilding the communities that the Germans have wantonly destroyed. If they are to be rebuilt, surely the rebuilding should be done by those who have done the destroying. There is of course, always a certain amount of destruction in war, but the destruction wrought by the Germans has been far in excess and while the friends of Germany and their propagandists are already busy shouting "No indemnities and no annexations" it will be a clear miscarriage of justice of the men who destroyed property without the least reason or cause for its destruction; who murdered women and children without the possibility that it would in any way effect the military issue; are allowed to conclude peace and pay nothing for the damage they have so unjustifiably caused. For the present, however, let us take care of suffering humanity and not waste our resources upon rebuilding towns and cities while humanity starves.

Don't quit because your quota has been subscribed. There are some communities who "won't make the grade."

Forum, Baptist Church

Chaplain Snow's address at the forum meeting last Sunday was very thoughtful and theological; speaking to the subject "Baptist Contribution to the Democratic Idea." He said in part: In Democracy there are two fundamental principles; a recognition that all men are equal or have equal rights, and an impelling force to make men recognize this principle and abide by it. The Christian religion introduced into the world the idea of democracy, and today democracy exists only in Christian countries. The Democratic idea was fully worked out in the early church; all the members were free and equal. Later the church in government conformed to the government of the country in which it was. In the fourth century it had conformed largely to the Roman government where it became powerful and large. Just as in nations there must be democracy in order to give the people their full rights, so in the church there must be democracy in order to produce the best results. To make the world safe for democracy, the church must be democratic; must be under the control of the members of the church and not governed by a hierarchy. In a Baptist church the idea of democracy largely prevails. Though now seen in other bodies of Christians, it was first brought out—brought down through the dark ages—by Baptists. So states the historian Bancroft: "Freedom of conscience, unlimited freedom of the mind, was from the first the trophy of the Baptists." It was the Baptist churches of Virginia that petitioned to Congress for the first constitutional amendment, making it impossible for the country ever to interfere in the matter of personal religion. The amendment is as follows: "Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof." Rhode Island was the first state of the world where there was liberty of conscience. And Rhode Island was settled by a Baptist, Roger Williams. If Germany had not crushed out the Anabaptists, who were precursors of the Baptists, she could not have forced the world into war. At some future day there may be a great religious war unless true democracy is cultivated by, and incorporated in, all the churches.

WELL-KNOWN WOMAN OF MENLO PARK DIES

This community was shocked last Saturday when it became known that Mrs. Eugene E. Meyer, wife of J. Henry Meyer of Menlo Park and a daughter of the late William Hillgass, pioneer of California, had passed away at her home after a lingering illness.

Mrs. Meyer came from a distinguished family. Her father was a pioneer of the west and was a descendant of Michael Hillgass, first treasurer of the United States of America. Mrs. Meyer was born in Oakland but spent many years of her useful life at Berkeley, coming to Menlo Park in 1900, where she made her home until her death. Mrs. Meyer was a noble woman, caring little for society but rather spending her leisure time in aiding and assisting others. She was charitable to a marked degree but always gave unostentatiously, no one knowing the amount she gave to those in distress.

Mrs. Meyer was beloved by all who knew her. She was a devoted mother, loving wife and a loyal friend. In her death this community has lost a staunch supporter, her family an affectionate and devoted member and her husband a loving coworker and helpmate. The funeral of Mrs. Meyer took place on Tuesday. She is survived by her husband, J. Henry Meyer, the banker and capitalist, and by the following children, who loved her dearly, Misses Eugene Olga Meyer, Alice M. Meyer and Charles Hillgass Meyer.

A dramatic entertainment on Sunday under the auspices of the Y. M. C. A. is arousing a great deal of attention in the cities nearby Camp Fremont. STREET CARNIVAL AND DANCE MAY 8

On Wednesday evening, May 8th, Menlo Park is going to give a novel entertainment for the benefit of its branch of the Red Cross. The main feature is to be a street dance on the fine new stretch of road from the highway at Duff and Doyle corner to the post office. The block is to be fenced off and various ladies interested in the Red Cross will be in charge of the concessions and the dancing. Many of the attractive girls of Menlo Park have offered their services to sell candy, gum and cornucopias. There will be booths where one may take chances on cigarettes, candy and many other articles which will appeal to both the men and the women.

This block has just been finished within the past couple of weeks and Mr. MacBain has guaranteed to have it spotless for the occasion. Menlo Park is working hard to make a success of this affair. Please everybody come and help.

Menlo Post Office Makes Showing
The post office at Menlo Park has done a flourishing business in the sale of Liberty Bonds, War Savings Certificates and Thrift Stamps during the past month. The sale of War Savings and Thrift Stamps for the month of April amounted to \$1076.40. Many of the school children here have a remarkable record besides acquiring a habit of thrift and a spirit of patriotism, which will remain with them through life.
